**Holly Hamilton, Green Convene
Denise Simon, - EON-US**

- The Roads Division of Public Works is reviewing the sidewalk project requests submitted by the Metro Council. The projects that will cause a time delay (ie., environmental, right of way or easement issues) will not be selected
- Project approvals from FHWA will not be given until late June
- TARC reported that a Purchase Order will be issued the 1st week of May for the 10 new Hybrid buses
- All TARC Project bid openings will be complete by May 4. The contract award recommendations will be made to the TARC Board at their meeting in the end of May.
